### THE KING'S ARMY: AN INTRODUCTION

The King's Army is an organisation of enthusiasts who gather together throughout the country to re-enact events of the English Civil Wars. We have presented many spectacular afternoons of entertainment for thousands of spectators since 1972, to the considerable benefit of many Charitable Organisations.

The King's Army is a non-profit making Society. It relies for its existence upon a contribution towards its expenses at each muster and the annual subscription paid by its members. Recruits are always welcome to our Regiments, whose membership is nationwide. An Introductory Membership scheme is open to those wishing to sample our events without further commitment - the cost is FREE for one muster only within a three year cycle.

The first task of the new member is to acquire authentic costume and become familiar with the organisation and vocabulary of the Society. In this he or she will be greatly assisted by the Regiment of their choice and the Members' Handbooks issued to them.

Our musters are presented in conjunction with the Roundhead Association. Together we have formed the English Civil War Society Ltd, which maintains our financial and legal liability. For further information on the organisation of events or the King's Army in particular, please visit:
